Hungry Mouths, Hungry Hearts

It was a hot Galilean day,
and Jesus traveled by boat
with His disciples in order to pray
at a place that was far and remote.

But the people all followed Jesus,
for they'd heard of the miracles He'd done.
They cried, "Oh, teach us, Lord, and heal us!
We've heard You're the chosen one!"

Jesus' heart filled with compassion
as He began to heal and teach.
"They're like sheep with no one to lead them,"
He said, blessing all within His reach.
